ALLIED CAPITAL BANK

Internet Banking User Guide

Before you begin

Complete the Internet Banking Application Form and Agreement and return it to service@alliedcapitalbank.com or to your nearest branch. You will receive your user ID and temporary password once the application has been processed.

First sign-in

1. Open the Allied Capital Bank website and select Internet Banking.
2. Choose Internet Banking Login.
3. Enter the user ID and temporary password provided to you.
4. Follow the prompts to create a new password and security answers.

Viewing your accounts

The overview page shows your available balance, account number and recent activity. Select Transaction History to search or filter earlier transactions.

Transfers and deposits

Use Transfer Money to send funds to a saved beneficiary. Review all details before confirming. Use Deposit Funds to record an incoming deposit from an external account.
